## PROFESSIONAL SUMMARY

B.Com, LL.B professional with 8+ years in CA-office support across income tax, GST, TDS audits, compliance, and reporting. Delivered accurate audit assistance, reconciliation support, and compliance documentation. Built hands-on capability in AI automation using workflows, AI agents, Power BI, SQL, Power Query, Python, and advanced Excel.

## PROFESSIONAL EXPERIENCE

### Ojha Agrawal & Associates

Office Assistant | Nagpur | 06/2023 – 01/2025

- Prepared client reports and assisted with daily compliance tracking.
- Managed financial records and supporting documentation for reporting and review.
- Supported GST, TDS, and income tax filing tasks, along with related compliance activities.
- 1.5 years

### G.C. Jain & Co., Chartered Accountant

Office Assistant | Dhamtari | 05/2013 – 04/2023

- Prepared income tax filings, GST returns, and TDS compliance submissions to ensure timely and accurate tax reporting.
- Assisted with GST audits and tax audit work by analyzing accounting records and client-provided information to support compliance efforts.
- Maintained compliance files and financial records using MS Office and Tally.
- Coordinated reporting reviews and client communication for routine finance activities, enhancing operational efficiency.
- Conducted tax audits and ensured compliance with regulations over a 7-year period.

## AI AUTOMATION & DATA PROJECTS

### AI Inventory Automation | N8N + AI Agent + Google Sheets

- Designed an inventory-assistant workflow for stock inquiries, sales, invoice creation and stock updates. Connected automation logic with Google Sheets for inventory and invoice workflows.

### Power BI & Excel Business Reporting

- Built reporting concepts covering sales, purchase, expenses, gross profit, net profit and KPI trends.

### Finance Analysis

- Worked with CMA-style financial statements and bank-loan ratios including current ratio, debt-equity ratio, margins and interest coverage.
